

CONGRATULATIONS TO THE STAFF OF THE TEMPE LEARNING CENTER (TLC)

Each year the Arizona Chapter of the American Society for Public Administration (ASPA) acknowledges significant contributions to excellence in public service at its annual Superior Service Awards Luncheon. This event recognizes and honors representatives of government, academia, and citizens who exemplify superior public service. **ASPA has selected TLC to receive a 2006 ASPA Superior Service Award in the "Academic" category.** Please join me in congratulating the TLC staff - Gretchen Maynard, Wydale Holmes and Dawn Oliphant. Their work in developing, managing and presenting a wide range of training programs for City employees has been invaluable to all the members of our work force. This award is well deserved.
